## NOTES:

N1. Your required CLC membership commitment includes your financial responsibility of \$70.00 in total (\$50 for the National and \$20 for the Regional). Your annual membership fee will help CLC Canada to maintain the responsibilities of operating as a National organization in Canada, at the service of the Church in the world, and as a member of World CLC. A portion (\$20) of your membership fee will provide for the needs of your region.

N2. Your additional donation is an opportunity to contribute to the CLC Canada formation and various mission projects. This year, 2024, the priority is National Assembly and we encourage each one to contribute towards National Solidarity Reserve and National Haiti Solidarity Reserve.
